## Month of Pink '16 6: Nonon Jakuzure

We head to the *Kill la Kill* world for the sixth day of Month of Pink.

---

The sounds of classical music filtered through the air as Nonon hummed along. Oh how she loved classical music. Not as much as she loved Satsuki, but it was a very close second and there was nothing that could take that away from her.

"You know, you should really expand your musical library."

Except for one thing. Nonon turned and glared at the girl with the red highlight.

"You shut your mouth, No Star!"

"You're a No Star as well, remember," stated Ryuko, giving the pink-haired girl a deadpan look.

Nonon grit her teeth in anger. Oh how she wished to slap that look off of Ryuko's face. But since the girl was Satsuki's little sister, this made things hard for the music lover.

"Sh-Shut up!"

Ryuko rolled her eyes at the way Nonon was acting. "Seriously though, there are other types of music out there. Haven't you ever listened to Rock, Metal, or even Pop?"

"... Pop? There's a type of music named after a drink?" questioned Nonon, looking very confused.

"... Seriously? Just how sheltered are you?"

"Shut up!"

Rolling her eyes once again, Ryuko dug through the bag she had. Once she found what she was looking for, she tossed it towards Nonon, who was barely able to catch it.

"Give that a listen to and then tell me what you think," said Ryuko as she turned and left with a wave.

Nonon glared at the other girl's back before glaring at the object in hand. It turned out to be a music CD with a colorful looking cover.

"Hmph! Like this "pop" music could ever be better than classical!" declared Nonon with a frown. "Stupid Ryuko! How could Satsuki-sama have a sister like her is beyond me!"

Still, the pink-haired girl popped in the CD to see what all of the fuss was about.

Some time later, at the Mankanshoku household, a knocking could be heard at the door. Ryuko, being the only one home at the moment, went to answer and was surprised to see a fidgeting Nonon.

"Nonon?"

"Hey, No... I mean, Ryuko! D-Do you h-have anymore of these CDs?!" asked Nonon, her eyes not looking directly at the girl in front of her.

Ryuko could only smirk in amusement. Who knew the stuck up Nonon Jakuzure would become addicted to Pop music?

**FIN**

**Somehow I could see Nonon being ignorant towards other types of music other than classical, but I could also see her liking Pop music. I could have made it Punk, as homage to her concept design, but felt Pop fit her more.**
